Fryer dump station

For Evolution Elite™ open fryers

MODEL **FDS-210**

General Information

Henny Penny portable fryer dump stations help improve frying production, save on counter space, and offer flexibility of use and location.

The FDS-210 is designed with the same dimensions and profile as Henny Penny Evolution Elite open fryers and can be attached to the fryer. Product is dumped directly from fryer into dump station. Excess cooking oil from product drains into concealed drip pan.

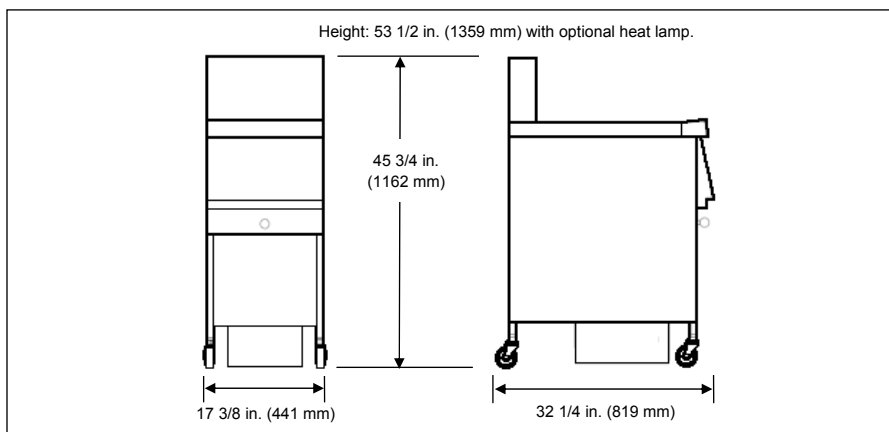

Built-in storage for additional JIB.

Unit is available with optional overhead 120V, 750W heat lamp.

Standard features

- Top quality stainless steel construction.
- Perforated stainless steel insert sloped for scooping French fries or other small fried items.
- Concealed drain pan.
- Convenient above-floor storage for additional JIB.
- 4 swivel casters, 2 locking.
- Optional heating lamp.
